Simon Black

Based in London, Simon is a member of the Financial Services Sector, specialising in searches across consumer, commercial and corporate banking. He leads searches in Asia, Europe and the United Kingdom and also coordinates the firm's European private banking activity. He has a functional emphasis on distribution, COO, risk and group infrastructure roles.

Previous Experience

Simon began his executive search career in 2001 and prior to this, served in the Royal Navy for nine years. A former ADC to the Commander-in-Chief Fleet, his last appointment was as Commanding Officer of HMS Brecon.

Education

Simon received his M.B.A. from the Open University. He is fluent in English, French and Spanish.
