## Hetty Pye

Hetty Pye leads the Industrial/Natural Resources Sector and the Distribution and Services Industries/Supply Chain Practice in Europe. Hetty recruits across functions for senior executives working with quoted, private and private equity backed companies. She is based in London.

## Previous Experience

Prior to joining Russell Reynolds Associates, Hetty had eight years of executive search experience, working across the industrial and consumer markets sectors, specialising in projects focused on the transfer of talent across sector/function/geography.

## Education

Hetty received her M.A. in modern history from Brasenose College, Oxford University.
